“ My condolences go out to the family of Tuffy Ray. He was a good friend for many years , at least 35 . I'll never forget that laugh & smile. I can see his face in my mind & hear that distinctive laugh. You were loved & cherished by your friends, Tuffy. We will miss you & you will always be in our hearts. I appreciate how good you were to my Mother. She cried when I called her & told her the sad news. She loved it when you brought her something from your garden. I hope you are with Lisa again. Rest In Peace, buddy.

My dear uncle Tuffy I will miss you very much! I will always cherish our time when we would visit and sit up on the porch and enjoy the day. I will miss that dearly. I know you are with Lisa, papaw, and mamaw now. I will miss your laugh and smile it would light up the room.

*I love you,
Heather*
