“ A person could use a thousand and one words composed by the greatest poets of the world. But to know Don, one would understand that words could never express the sentiments of just how wonderful a man Don truly was. A man of Honor and Integrity. Gail know that you and your entire family will be in our prayers

I so enjoyed working with Don during my time in 9212 at Y12. He was always a gentleman and so easy to work with. A true man of God that always showed through and a true family man. Always talking about his wife and kids. Please focus on this in the long days ahead

“ Don will be severely missed but the consolation is that everyone can see him again in Heaven if saved. I know how sad it is and will be in the time to come but God's grace can and will see the family through this time of bereavement. Keep focused on God and he will lift everyone up. I have been there so I know how it feels to lose a loved one. I will continue praying for all the family. Just keep trusting in the Lord and surround yourself with your Christian friends.

Amen

“ A wonderful man and neighbor, he was always out and about working in the yard, packing up for a ballgame or a camping trip, or just tinkering with one of the girls' cars. I will miss that friendly wave and smile he always gave me as I drove by. Godspeed Don ❤️❤️❤️❤️❤️❤️
