“ *Father's day is coming up again dad.....it still doesn't seem real to me that you and mom are gone! A lot has happened since you and mom went to meet Jesus. I've learned a lot, and grown up a lot, and in August 2021 I gave birth to the most beautiful little girl and I named her Zoey Mae Ray. I gave her yours and mom's middle names...I really wish you two could've been here to get to know her...not a day goes by that I don't think about what things might have been like if you and mom would've been here when I had her...mom you would have loved her and dad, she would've had you wrapped around her little finger*
