I never met her but felt I knew her through Debbie Weaver. She had my prayers all through her illness! My husband had pancreatic cancer & there was a very close connection! God bless her & her family & my condolences to them! So happy she was a devout Christian & hope to meet her one day in heaven!

“ Donna:

My life has been so blessed because you were in it. We have shared so much together for the past ~40 years. I can't imagine my life without you, your tremendous strength, kind and generous heart, and daily Christian living will continue to be an influence on my life. I will fondly remember our many, many good times and so much laughter. Birthday and Christmas dinners and other times will not be the same for me and Deb without you, but I know you will be joining us in spirit and ever be our guardian angel. We will have a wonderful reunion in Heaven and until that time, always know I am grateful for your friendship and I love you!! And yes I can hear your sweet reply - "Ditto!"

To Donna's family, you each are precious to me and Jeff and you remain in our thoughts and prayers. We love you and are here for you!

*Much Love,
Teresa Nichols*

“ Donna Moates was a dear friend of mine while I was at Cedar Grove. I was a Teacher and we shared thoughts and lessons together, The children throughout the years will truly remember this dear Christian. Now, a lot of the former children are adults. She will be missed but she is in Heaven with no more suffering and sorrow. She was a true Christian friend. I am praying for the family to receive peace from God.

“ Donna and I graduated HHS together many years ago. Donna had an infectious giggle. If she giggled, which she did a lot, you caught it. All these wonderful tribute pictures show that smile that was ALWAYS on her face. The world is better because of people like Donna. I am so very sorry and send my condolences.
I can still hear her laughing.

“ *I met Donna at Kay's Kiddy Land, Kingston, when my daughter attended daycare there and where Donna also brought Michelle. I knew right away how kind, warm, and friendly Donna was and she never changed. My daughter and Michelle grew up together and are the best of friends. Donna has always been like a second mother and role model to my daughter, always welcoming her and treating her so kindly. Anytime I've visited with Donna she has always been so very sweet and welcoming to me also. I am so saddened at her passing, but I believe she is rejoicing and in the loving care of her Heavenly Father!*

“ Donna was such a kind, sweet lady that I am glad to call my friend. She taught my girls in AWANA's and was such an inspiration as a Christian lady. I will dearly miss her as will many others. Her smile and presence could fill a room with comfort. Blessings and peace to her family, especially her daughter Michelle. Her footsteps here on earth will never be forgotten what a wonderful path she led for Jesus.
