“ Donna was a caring, giving and loving person who was sweet enough to drive me to the saloon to get my hair done because I have vision problems that prevent me from driving. . We had great conversations on the drive that were mostly about our families. She talked often of the Granddaughters who were her sunshine and that she loved a bushel and a peck. Justin, she loved you so much, but worried like all Moms do, but trusted you would be a great Dad. Lori, you and Donna had something special and I know you will miss her terribly, but she would want all of you to think of all the happy times and be grateful for the time you had with her. She will be a guardian angel to all of you. Marcia Baranyi
