I remember and I remember when Lisa passed and you came by, I ask him if he knew who you were. He grabbed your neck and said “she’s the good nurse”. You two got to know each other pretty good.

“ *Debbie, we are so sorry. Donnie was a great man and Lonnie is going to miss him terribly. They were friends since the 1st Grade. They talked on the phone a lot and Donnie would stop by and see him and they would sit on the porch and talk. I loved to hear their stories. We love you and we're praying for you.*
