“ We are so sorry to hear of your mothers passing. Of the short time we knew your mother and father they were wonderful people and very nice neighbors to my parents Erma and Elmer Shesler and also now my sister and her husband. I know my sister Brenda wishes she could have done more for her. We know that she is in His care now and she is free of her earthly problems. Love to all, George and Dianne

“ We are saddened by the news of Doris' passing. She was a remarkable woman and left a legacy both of many acts of kindness as well as her fine family. Her presence will be sorely missed. She was a source of inspiration to us all as she struggled with so many health problems.
