“ I worked with Doris at Chattem and we bonded like mother and daughter. Ive always thought so much of her and helped her in every way that I could. She is going to be greatly missed. The last time I seen her was when she was in the hospital at Memorial. She was so happy to see me and I was so glad I got to spend that time with her. Going to miss our phone calls and text between each other. Till we meet again. Love and Miss you so much.
