JH

“Granny was a mess! If she loved you, she made sure that you knew it. I will never forget her as long as I live. I loved her so, she was funny and a handful, she was stubborn and you did things her way. I am forever thankful and blessed to have her in my life for so many years. Granny you will be so missed! Love you always and forever!

“The first time I met Doris was at Missy’s baby shower for Evan. She was sassy and spunky and I loved her immediately! She was the beloved matriarch of her family and she will be greatly missed.
