“Doris has been so special to our family for many years. We were honored to know her through her daughter Lisa when we began caring for her grandchildren, Mason and Mandy. Doris has always been a sweet and attentive grandparent to Mason and Mandy as well as taking our kids in as her adopted grandchildren. Doris always made our children feel as special as her own. Thank you Doris for being a wonderful, caring, and enjoyable woman in our life. We will miss you dearly. With love Wayne, Kristi, Tanner, and Makayla Harrison.

“Worked with Doris at DOE for a .number of years. My most vivid memory is her telling everyone to make sure there's only decaf in the coffee machine so that Chris won't be so wired and obnoxious in the afternoon! Miss you Doris....Godspeed!

“I had the privilege of meeting Doris last summer for the first time. My very first impression of her was that of how she just had a glow to her face! That made me think about how happy her heart must be to radiate that kind of a glow and radiance! I am going to miss seeing this special lady who always made my day with her "glow!"

*Love and prayers to you and your family, Lisa.*

“ When I met Doris, I thought she was the nicest person I had ever met. She was so lovable, easy to talk to. She was very thoughtful and caring. God makes special people , she was one. I wish he could have let her stay here longer but has something else in mind. It was an honor knowing Doris for a brief time. My deepest sympathy goes out to the family. May your happy memories give you comfort during this difficult time.
