“*Dot Marshal was a very good woman and good friend. She and I worked in different offices, but we became close friends after I started working at the Courthouse in 1974. The courthouse had a break room for many years and this is where Dot and I ate our lunch. We packed our lunch and met there. She was a devoted worker for Jim Easter, prior to her becoming the County Court Clerk. She ran an efficient office and was very good to her workers. I am so sorry for the families loss. I pray God will give them strength to endure the sad days ahead. I know she is happy because she is reunited with her son and husband.*”

“*Dot and I worked in the courthouse at the same time for many years. She was a a dear friend. She was an outstanding public official. She treated everyone the same and ran the office well. She was quite a modest person with a wry sense of humor. Little wonder she was re-elected handling over and over. I cherish the memories I have of those years at the courthouse. Condolences to the family. She's with Jack and her son. God bless.*”
