“ Dear Barbara,  
I worked for Doug part time while I was studying at Wesley College in Athens. He may have mentioned the little Irish girl although you and I never met. I have only just learned of Doug's passing. My mother was going through some old photo's and came across one of us with Doug when she came to visit me in Athens and she decided to look him up online. We are both so sorry to hear this news.  
Doug was a wonderful man and took such good care of me when I was in Tennessee. He paid a local mecahnic to fix my heap of junk car when it broke down and woulfn't take a penny. And he entertained my mother and friends when they came to visit. I loved working for him and looked forward to my two days in the office each week.  
If you ever decide to visit Ireland again please let me know, we'd love to show you around.  
Best wishes,  
Susie
