“ I was blessed to grow up knowing the Hughes family all my life, and blessed to have Doyle and Linda as friends for many years. We have shared so many memories. My funniest memory has to be when Linda and I convinced Marvin and Doyle to attend a women's conference in Atlanta with over a thousand women. They both slept through most of it and didn't realize they were surrounded by women until it was almost over. We've had a lot of good memories, and his sense of humor will be greatly missed. Sending love and prayers out to Linda, Chris, Chad and family.
