“ We have shared good memories through the years watching our families grow. Drucy & I worked together in Arizona where we lived and @ other states. She was always kind & had a 😁😊😁 smile that would be contagious! I hope to continue to grow closer to Jesus & be more like my sister in the Lord! When I travel near by I would stop by & even enjoy going to church and Praising and learning more about our Savior and applying it to our life until he takes us home. I look forward to our reunion!

“ *Many good memories, but one of my favorites was sharing Thanksgiving Day with both our families while living in Cave Junction. Several Thanksgivings were spent eating dinner and then playing board games or watching movies. Our love and prayers for all the family, especially during this time...Joy & Dennis & Family*
