“ *It's sad to know that such a great guy is gone from this world, I remember Dustin from when he went to our church, and went to school with my daughter. Years later I got to work with his sister and mom, aunt. Then got to meet most of the family, they are such good people. Dustin always was sweet and kind. He loved to kid around with us, he was always happy from what I can remember. He will be greatly missed , but never forgotten.*

“ *My heart is broken for all of us for the loss of Dustin. He is such a sweet, sweet child and soul. I am a better person for having known someone so sweet. I remember him since he was a child and he was always one of my favorite people. He always had that little sheepish grin. He would tease you ever so slightly. I was VERY proud to know him.*
