I didn't know you or your brother for to long but I do know that my son Jesse and I considered you both as family. We all took care of one another like family does. Thank you for being apart of our lives. To the mother & father, thank you for bringing Dustin and Garrett into our lives. Dustin will always in our hearts. We send our prayers to you and family

Dustin, I only got to know you those few short mths but in those mths you became an AMAZING friend. I knew if I ever needed anything you was a phone call away. You had a heart of gold & would do anything for anyone. You're gonna be missed horribly by so many. Fly High!!
