“ Voleen was an integral part of the ORNL site office when I was the Site Office manager. She was a supremely competent administrative assistant who took on a job and finished it with a flair. Her up beat attitude made everyone around her feel better. When one of staff had cancer treatments that made her lose her hair and felt that she couldn't attend our Christmas party, Voleen led the effort to have everyone attending the party wear a hat so our cancer treatment person could feel she was just part of the group with no one noticing her lost hair.

Voleen was a special person!!!!

“ I worked with Voleen years ago. I was shocked to hear of her passing. My thoughts and prayers are with her children and grandchildren that she spoke a lot about. She loved her family.
