“ Linda and I loved to be around Tony for 20 plus years in Church, Community, and social events. He was so good to hear him speak and give his aggravated funny solemn solutions and comments. He is great in who, what, and whom he was associated during the period of time we were near him. A Christian is forever, Amen. Mary, so sorry for yours and the family's loss. I know Emily loved him and I am sure most agree, Tony was GREAT!! IN CHRISTIAN SYMPATHY AND LOVE; JOHN BROWN

“ Tony was part of my family. I always looked forward to gatherings when he was there. He made everyone laugh by telling the most outrageous stories, which also happened to be just a day in his life. He really was a walking party. He had the ability to make everyone happy. More than that though was and is his gentle spirit and kindness. I know he is making a lot of people happy in Heaven now.
