“ I'm sorry that I just now learned of Edna Ruth's death. She always made me feel welcomed when I married into the Chester family. I'll never forget the lovely tea she hosted before our wedding. Edna Ruth will always have a special place in my heart as she was such a close friend to my mother-in-law. I loved hearing how they supported each other.

“ Leave a condolence or a memory. Miss her so much, already! Would see her most everyday walking Cleveland Rd., picking up trash on the sides of the road and would stop to say, Hello! She was just precious and will be missed. Prayers for her family!
