“ *Mrs. Crisp was a wonderful woman and very instrumental in my upbringing. I loved her like a second mom and I still have many memories of eating at her table and wonderful lesson she taught me as a child.*

I know she will be missed and I also know there was much joy in heaven when she arrived.

Love,

A dear aunt and wonderful soul has now left us and she will be missed. Edna was such a good person and a delight to talk with. From all the children of Edd Hodge, we send our blessings to the family and find comfort in knowing that Edna is back with JB, grandmother and grandfather Hodge and her brothers and sister who have gone home before her. .
