“ On behalf of my Mother, Edna's peer and long time friend in Harriman and the Methodist church there, I want to extend her condolences to the family. Mother is saddened to learn of Edna's passing and were it possible she would be in attendance at her service. Please know we will be thinking of the family in this time of sorrow but we are thankful for Edna's long and selfless life. It will seem strange indeed not to see her in her pew at Church when any of our family visit there. May God give you His peace and comfort by His abiding presence.

“ Hi Cynthia,
Reading about Edna in the paper today brought back so many memories. For many, many years, Edna was a big part of my life. She did so many things for me and I learned so much from her. I remember all of the perms that she gave me when I was a little girl and all of the clothes she made me. I think I stayed at her house as much as I did my own. It is very hard to loose your mother no matter what age and there is always something you need to tell them. I know in my heart that Edna has a special place in Heaven as one of God's Angels. Love & Blessings, Nancy & Warren
