“ *Diana was in Harriman with her parents this past weekend and read about... Mom...*

I have been flooded with memories since finding out. I am not sure who will be getting this, but please try to share with all the kids.

Your mom has always been very special to me. We all know that she is in heaven as Vicki Moore pointed out in her condolences above.

Even though I have not been in Harriman very much over the last 5 years, I never stopped thinking about all of you.

Best wishes to all of you and I am so sorry for not finding out sooner and being at the funeral.

Love ya, Lynn
