Nancy, It has been many years but I hope you still remember me. Betty Barker McMahan from Reel And Slusher. I got the paper after the time of receiving friends tonight so we were unable to come. I would have liked to have seen you and tell you in person how sorry I am for your loss for you and your family. Just want you to know that I will have you in my thoughts and prayers. I really thought Leon was such a nice man and so glad you could spend so many years together. Just so sorry for your loss. Betty

“ Leon and I were friends before we met our perspective wives. We fished, worked on cars, and cruised in Oak Ridge, Knoxville, and Oliver Springs. Whatever we did Leon never got dirty. He always looked ready for church! And whatever situation we encountered; I never saw him lose his cool. Leon didn't try to be or act cool; he was just cool. My wife Linda and I couldn't think of anyone better to be 'best man' at our wedding in 1968. Although, we went our separate ways after marriage, we remained good friends. We share your grief at his passing. Heaven gained an asset when Leon got there. Love and prayers to Nancy, Leigh Ann, and the family during this difficult time.

“ *One of my favorite memories is when the tall handsome young man crawled out of his little corvette to meet the beautiful lady in the GTO! I think it was love at first sight for these two! Love hugs and prayers to Nancy and family.*
