“ *Kathi and Family,
I am just now hearing about your mom's passing. I was out of the country at that time. I live in Maryville now and don't hear much about people in Kingston enough.
You have to know how very much I loved your mom and family. I always enjoyed seeing her at the libraries over the years.
I know we will see her and our other loved ones again.
Love you Janie McCown Mertz*

“ *My deepest sympathy in the Home Going of Faye. She was a very generous and loving person. I greatly treasure our friendship and cherish every precious memory. Although our beloved 'Groundhog' will be greatly missed, let us all rejoice that she is with our Lord getting her reward and that one day we shall see her again, never to say goodbye. Her favorite saying was, 'Don't wait too long'. She lived each day to the fullest and for the Lord. May the Lord of all creation be your comfort, peace, and hope.
Because He first loved us. Karen*

“ Kathi and family:
We are so sorry to hear about the loss of your mother. Besides losing a child, that must be one of the hardest things for us to go through. You are in our thoughts and prayers.
