“ *While I only knew Elaine for a short time, she and I just clicked when we met. She had asked me once if I would take Kiki, her cat, when she was gone, She and I had taken a trip or two to Knoxville for doctors appointments, and talked all the way! She is without pain now, and I will try to be the best second Mom to Kiki.*

“ I worked with Elaine for at least 5 years and remained friends after that.
I will remember our many lunches together and hunting treasures at the antique fairs and shops in Lakeland.

I have lost a "kindred spirit". Bless you friend.
May you're family find comfort in their best memories of you.
