“ Betty was my second cousin. She was always nice and good to me as kid and adult. I loved her and parents very much. I am so sad that all the people I grew up with are dieing off. God bless her. I lost touch over the years but my heart really hurts for her loss.

“ Betty and I were cousins. I have some very fond memories of Betty and the times I would visit with the family. Betty, like her mother Virginia had a passion for animals and they would take in many strays over many years. Betty's memory will be cherished by Harvey and her immediate family and the many cousins who loved her dearly. I know you're enjoying your new Heavenly home.
