“ Daphne, I wanted to share this memory with you, I actually never had the honor of meeting your parents, but over the many years I have known you, I feel like I knew both Elmer and Juil. Your father has given me advise time to time, always good and funny, and I shared a bond with Juil, as she and I used to send each other cards and laugh. It really was like I knew them through you. I can't imagine what you are going through, but please find peace in knowing just how good and wonderful they were, and on their promotion day, please know they are at peace with God now and one day you will be with them again forever. I love you Daphne, Kip
