“ Oh my gosh! Elthie, Aunt Pearl, OD, Uncle Clyde, Jerry Lou, Max, Maude and all our relatives in Harriman!! Going to Harriman from Clinton was always such a treat from the time Susan and I were born! So many memories! Playing in the cemetery across from Elthies. What fun. I think we stole some flowers once! We were always up to no good. Our cuz, June, was there a lot too. She has come to visit us in California. Just a little history about mine and Susan's relationship to Elthie: Our mother was Flossie Skaggs Henderson. I believe she and Elthie were step-sisters. We lived in Clinton, Tn., not too far from Harriman. My worse memory of Harriman were the outdoor toilets! Pearl had a 2-seater! But as kids we didn't care. Dear dear Max and Jerry Lou, we are so sorry for your loss. I am so thankful we got to visit with all of you when we were there in 2004 to bury our mom, Flossie. So many wonderful memories.

Thinking of you and Max. Love you, Linda and Susan

“ Jere, Travis and Max, I am so sorry for the loss of your Mom and Nanny. She was a very good woman that I was honored to know. Like Travis, she also taught me some about fishing. I loved being around her because we would laugh alot. I know she will be missed greatly. I wish I could have been there but because of the cold I stayed with mom and we talked about Elsie and the times we spent with her. Mom still has flowers from cuttings that Elsie gave her. They live in her memory. You are forever in our prayers. Love You

“ What a sweet lady Eltha was. I remember her as a faithful member of South Harriman Baptist Church from when I was a little girl. It was an honor to be her Sunday School teacher years later. Though in past years she was unable to attend, she was never away from our hearts and prayers. I will always remember sitting at her house eating Amish friendship bread with her and how delightful she was to talk with. She was so loved by her family, who took care of her so very well. I've told many how when I visited her, whether seeing Judy care for her or Jerry and Gene, it was clear she was loved. She will be missed.

“ As a nephew I have so many wonderful memories of my Aunt Eltha while spending my summers in Harriman with our Aunt Pearl and playing with Jerry and Max. Two I will always remember as special to me. Our Aunt Pearl always went to bed late, slept late and cooked late, Eltha knew this and felt sorry for me she would let me join them for dinner everyday at 4:00 When OD came home from work and we never let Pearl know as she would get mad we would laugh about it our secret. OD would make Jerry and Max go to bed at dark when he did just when we wanted to play. After he would fall asleep Jerry and Max would crawl out the bedroom window and we would play the night away. Aunt Eltha knew this but would never tell OD always pretended she didn't know because she wanted us to have fun. Jerry and Max very sorry for your lose but take comfort knowing she is in a better place in heaven and most likely sitting on a bank fishing.

“ We called her Aunt Elthie and she was special as she always recognized each of her nieces and nephews as the individuals they were. She'd look you in the eye and when she asked how you were doing, she meant it and waited for an answer. She was a great cook; her green beans or pintos were never duplicated. She was a very kind and gentle person. Max, Jerry Lou - I am so sorry for your loss. June

“ I loved this lady, she was like my mother away from my home. I am friends with Jeri and was when we were growing up. I spent a lot of time at Jeri's house
I got to know Mrs. Rosser, like I say she seemed like a mom to me. She was a very kind and sweet person whom I grew to love a lot. I will always remember and love her.

“ Mom, Jeanette York (Troy Sweats daughter), relives her childhood time with you with great fondness. The buttered sweet potatoes after school and the games of 'tag'. You were more a sister to her than an aunt.
