“ Dear Ray, brother-in-the-Lord and dear Kim,
To say we're sorry doesn't even begin to tell how we feel for all the whole family but especially for both of you. Your wife and Mom got to spend the best Easter ever while down here we just keep looking to see Him in the air. We don't mourn as those who do not have hope yet.....may this pain that we all feel produce the miracles that can only come from death. Like a seed in the ground feels the heat of the sun and obeys God and sprouts so will her life and love for all of you and for her Saviour bring forth those situations that can only come true when bathed in Faith. I am looking forward to hearing of the fruits that will keep on being produced because of one little seed named "Elzora". Forever grateful for the love and dedication invested in our son at different times. May the Lord Bless you abundantly, Love, Tom and Luisa Gehrke

“ Gene and I were so sorry to hear of Zodie's death. We were out of town this past weekend and were unable to attend the funeral. I pray that God's "peace that passes all understanding" will sustain you in the coming days. She was a sweet lady and will be greatly missed by all who knew her.

“ Bro Ray & Family,
So sorry for your loss.... but knowing Elzora's testimony she is having the time of her life! :-) I wonder if she and mom have renewed their acquaintance yet? That really makes it more real doesn't it? So thankful for being neighbors years ago and for the wonderful memories of childhood that has continued on into our adult lives. And because of Jesus and His sacrifice those of us who have put our faith and trust in Him will still be together in eternity! Praise Him! Thoughts and prayers are with you at this time.
