“ Thoughts and prayers to the family at this time. May God hold you in the palm of His hand and give you strength and peace as only He can. Aunt Aileen was a remarkable woman and I was blessed in knowing her. Her steadfast faith in the Lord and her remarkable strength as an individual has touched my own life in so many ways, as I am sure it has for anyone who knew her. She will be greatly missed here, but the joy and blessed assurance that we will some day meet again lightens that load of grief and sorrow.

“ My deepest sympathy to the family and friends of the going home of my aunt Aileen. May the Spirit of the Lord comfort you and fill this emptiness.
Though it has been many years I still have fond memories from my younger years of our families coming together for visits and holidays.
Our thoughts and prayers are with you during this time. May the Lord keep and bless each one.
