“ I am thinking and praying for all the family during this time. I have many happy memories growing up and knowing this family. King and Jean treated everyone with great respect and love and taught me a lot about life. He was a man of integrity and loved his family and country. He made this world a better place. He never forgot his students and players and always wanting them to learn life lessons. They say to teach is to touch a heart and he touched thousands of them. Praying for you. Love

“ We have wonderful long time memories of King, beginning at Maryville College and continuing through his outstanding career, as a an outstanding athlete and as an outstanding coach and leader of young people. Charlie still tells a happening when he was officiating an important football game several years ago.....it could bring a memory smile to your face....Sweetwater did win.
Our prayers and sympathy are with all of you.
