“ *We love you so much Aunt Tina. Your home held so many great memories for us. Spending time with you and all of our family in Tennessee during our summer vacations was one of my favorite parts of childhood. I'll always remember those amazing family reunions, playing with Tiffany and Marty in your yard, and feeling like you had the best house in the world. I can't wait to see you in heaven and reminisce about our family. Enjoy your time with Jesus until i can join you.*

i am praying for you all and wish i could be with you during this time.

*Love Sarah
