“ Before I joined the military, I was a near daily customer at Ingles, and thus came to know many of the staff members. I adored Ernie as though he were my grandfather. Before I shipped off to boot camp, he presented me with a Coast Guardsmans' Bible with my name on it, which I still display in my home to this day. I always looked forward to seeing Ernie when I came back to Sweetwater to visit, and was deeply saddened to learn of his passing today. He was such a kind, vibrant, and gentle soul. He will be greatly missed, and never forgotten.

I'm so thankful for God and his protection. The deception was revealed quickly, be wise you can pray for something and Satan can send a counterfeit, that you think is from God. He constantly is prayer and in the word of God. No one can convince me God doesn't have our best interest at heart, which I already knew but he reminds us from time to time. I love him! 2 Thessalonians 3:3 but the Lord is faithful, and he will

“ Always looked forward to see Ernie every week at Ingles, my granddaughter moved 9 hours away, when she comes in first thing she ask is to go see Ernie. I had many talks with him , he loved God with all hes heart, it gives comfort to know hes with God this day, no more pain, no more fighting cancer, hes free ! Sweetwater Ingles will never be the same, tears for us now (my granddaughter cried on and off for 2 days) but, joy in the morning, because we know where he is at. God heal this families hearts.

“ *Ernie loved living. When I would answer the phone at HS..he usually would say he was with Monroe County Sheriff's office and needed to speak with Linda Ghorley. If she was busy or gone...he was just talk to me..he would always ask how I was doing. Ernie will be greatly missed by many who knew him. Take comfort in knowing...he has no more pain. ❤️*
