“ Dear J.P.
You might not remember me but my maiden name is Branson.
Dean and I used to go to Ethel's house and play when we were
young. We liked to go and ride her bicycle, we didn't have one. We
thought she was so lucky to have a bicycle.
I didn't know she had passed away. I'm sorry. All of you take care
of yourselves and may God be with you and bless all.
