“ So sorry to hear about Granny Ethel. She was a great lady. I used to work with her at the Hosiery Mill when I was just a kid. She always brought "Tin Foil" to work which meant she had baked some goodies. Boy could she bake. She would come by our restaurant, Bob's Burgers, and have me go up to the Scott Market and fill up her car with gas. She will be missed, but we'll see her again.

“ I am so sorry for your loss. I am praying for all of you.
Your mother is in a better place. I know that doesn't take away your loss and pain, but I pray it gives you comfort.
Your mother was so blessed to have you as a daughter; as you were blessed to have her as a mother. I am so happy you were there holding her hand when she went to Heaven. You should feel good knowing she knew how much you loved her.
I love you and will be here for you.
