“ *To Charlie, Cassie & Family:*

On behalf of all of us at GD Barri, I would like to offer our most sincere sympathies at this notice of your loss. Ms Ethel's cheerful twang was so uplifting and a source of enjoyment for all her co-workers, the field employees, clients and anyone who spoke with her over the last twenty-one (21) plus years, and we definitely all will mourn her passing. Although it was not so long ago that she had retired from active service with Barri, I hope over these last few months she had been able to spend some quality time with the folks who loved her most. I so regret not being more persistent in urging Ms Ethel to retire sooner, if only we had known how little time was left!

Surely she is bringing even more light to the angels in Heaven now that she is able to shine in all her brilliance, unshackled by our earthly limitations - adding her voice to the Angel Choir for the Lord...
