“ I am so sorry to hear about Ethylene. She was such a special, christian lady. She will be missed, but heaven has gained a new angel. She is walking those streets of gold singing God's praises. One of my most precious memories is of her and Pauline singing "Star of Bethlehem" and now they can sing it in the presence of God--how wonderful. If I can do anything to help just let me know. I am remembering your family in my prayers. May God comfort and strengthen you. She will be remembered with love. With sympathy, Joni Cole Mann and family

“ I would like to offer my deepest sympathies to you. Although we haven't met, all of us have experienced the loss of a loved one. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34;18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.
