“ Zach ,Jim . I was saddened to hear about your mom. She was always such a kind and pleasant lady who put up with all of us band folks. Aunt Jane and Uncle Willy always made me feel welcome in their house and have always been a great inspiration to me. I was out of town and could not make the service but your family will always have a special place in my heart. Marty Taylor

“ Many smiles were made by your Mom's cheerfulness and helpfulness at the fabric shop. I remember when my mom and I would go to Harriman and talk to her while we tried to pick out our newest creations. She will be missed.

“ Zack and family,
Charles and I are saddened by the loss of Aunt Jane. She was such a blessing to anyone that had contact with her. She was always smiling and so happy. I remember going into Chandler's when I was much younger to get fabric for the next dress and she would always be so helpful to mom and I. She knew all the right answers. "Uncle Willie and Aunt Jane" have left a legacy that won't ever be filled.

“ So sorry to hear about your Mom. She and Uncle Willie were substitute parents to all of us in the band family, and will be greatly missed. Having lost both of my parents too, I know what you're going through and what a hole is now in your life. It's hard to be an "orphan" no matter how old you are. My prayers are with you and your family.

“ I am so sorry to hear about the passing of Aunt Jane. She was such a wonderful role model and second Mom to many of the band members in Harriman. I have nothing but fond memories of her and her presence in my life during those school years in Harriman. She was always there to lend an ear and listen if you just wanted to talk. Both she and Uncle Willie will always rest comfortably in a corner of my heart.

“ *What dear memories I have of Uncle Willie and Aunt Jane. As a Rhapsody in Blue band member, I was influenced by their devotion, kindness, and character. They didn't just have three sons; I truly believe they considered all of us their kids. Knowing Aunt Jane and Uncle Willie are together again gives me comfort, as I hope it does the family who misses her so much.*
