“ Dearest Melissa and Family.....  
Sometimes a person's unique kindness and beauty transcends a friendship into a feeling of Family. This is how we will always feel about our "Nana Sue" - Crystal and Kyle's adopted Grandmother. She celebrated their successes, and shared her love unconditionally. Little did we know Melissa, when you became our Nanny that we'd gain a second family. Her visits to Jork Rd. in Jacksonville are some of our best memories! That old expression that we don't remember what someone says.... but we always remember how they made us feel describes Sue perfectly. She had that Gift of making everyone feel so darn special. I know how much she will be missed, but her spirit will surely live on....and her memory will be a Blessing.  
Sending sincerest Condolences and much Love from us all,  
Bonnie
