“ I did not know Faye Falin but have known Dale Hamilton her brother for several years and I want all to know that he is a faithful brother who has always spoke with great love for his entire family and always looks forward to spending time with the family. Dale our thoughts and prayers are with you and your family during this time of loss of your sister and know that you and your family have always exemplified and example of true family. May we rejoice in Faye's home going to be with her Savior as we can all look forward to once again seeing her in heaven.

“ I had the privelege of having Liz as an Aunt when I married one of her nephews. At family reunions, she always made everyone laugh...and she was able to keep a straight face while cracking a joke!! She will be truly missed by the entire family.
