“ Aunt Francis was a wonderful role model to many different people in so many ways. She was my mother's sister but she held a very special place in my heart. Her tenderness and thoughtfulness will be very missed. She always had a smile and sweet words for those she met through her life. She is truly a shining example of one of God's angels he put here on earth to watch over those she loved. I cannot begin to tell you what she meant to me and how much I will miss this very special lady. I love her and will miss her. But I know God has many plans for her. Nephew Jimmy Vaught
