“ Met Frances many years ago through her son Billy when my husband, Rick, was working at the Watts Bar Plant. We loved to go by the house for a visit. Frances was a wonderful person and could make you feel at home anytime you saw her. It was always interesting to see her keep Billy in line. She only had to say "Billy" and you would see a grown man jump to do whatever. Frances loved people and could tell some of the best stories and loved to hear you tell stories too. The "visiting" is what makes a good "hair styling" shop like the one she owned. Frances will be missed by all who knew and loved her. May the family be comforted knowing that she is at peace. “ Precious memories of this spunky lady. She would say something and Mary would yell "mother". This lady made me try on my first two piece swimsuit...and then bought it for Me! So many memories! Love you all! Bridgette Estes Vestal
