“ *Diane is going to be missed by everyone that knew and loved her.*

She has been my sister since she was 16 year old. It is hard to imagine life without her.

She told me you have to be strong when I

leave here and to take care of Willie, that she had been blessed and was a winner either way.that she loved me and I told her no more than I love you! No matter how sick she was she had a smile on her face and said I am doing. Good.

We wanted her to stay but God had is own plan for her, and she isn't suffering any more. She is with her Lord and walking the streets of gold with her loved ones.
