My Aunt Frances was a very sweet lady. I would always go to the family reunions early because I knew Paul and Frances would be there early. We would usually have about an hour and a half to talk before the others would start straggling in. She will be greatly missed. God has given her her mansion in heaven and she is having a blast. She is running and is in pain no more. Thank you God for the time you gave her on this earth. I love you.

“ I was priviledged to meet this lady when Greg and Carlana were rehearsing for their wedding. I have enjoyed having she and Mr. Paul all these years and was so thankful and happy when they joined our fellowship at Christmas time this last year. She will be missed. God's Blessings to all the family. I love you very much.

Was always a fun trip around Greg's Mom and Dad! I'm glad I got to meet his Mother. She raised some great kids!

Francis and I shared some good times together going to the beauty shop, having lunch and shopping. I loved her and will miss her. She was a good friend.
