“ My thoughts and prayers are with you all during this time. I have not seen Buddy in many years but I have such fond memories of him from highschool and after. He was always such a nice guy and would help anyone. Even though I was quite a bit younger than he and my cousins he always made it a point to include me. May God help you and your family heal.

“Buddy, you were the best friend a girl could ask for. You were always there when I needed a shoulder to cry on. No one will ever be able to fill your shoes in my life. I will miss you more than you will ever know. We had so many good times, that I will never be able to have with anyone else.

It is my promise to you that I will help Amy & Brock in any way that I can. I will make sure that he knows what an AWESOME Daddy he had in you.

You were one of the best men that I have ever been fortunate enough to be a part of my life and for that I am thankful to God for sending us to each other to be friends. I love you and miss you terribly.

Go rest high on that mountain and watch over those that love you as much as you loved them!!

Love,

Dianne <3

“ Buddy will be missed by everyone who knew him! I hope Brock grows up knowing what a special dad he had!! Buddy has always been a friend, always a smile on his face! Amy, I don't know the feeling you are going thru, because I've never been in your position, but I can imagine how miserable it has to be. If you need anything, please let me know. I can be reached at Tn Eye Care in Midtown. Dianne and myself, as well as others will be there to help in whatever you may need. As far as the Boles family, you lost a great brother and uncle. He loved his family so much, just as he loved all his friends! May God be with you in the following years, God Bless!!

“ May the Boles family find comfort in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34;18) He has promised to soon "swallow up death forever...and wipe the tears from all faces." (Isaiah 25;8)  
Take care,
