“ *I grew up on Cumberland st. With Freda and all the brothers. When we were little it was just one big happy family of kids. Jewel just treated us all as her kids as we would run in and out of the house. Freda always seemed so much more mature cause she helped keep the boys in line. Even when JB tried to burn the house down playing with matches she kept her cool. I just found out today, July 5 of her passing. I pray for the family knowing she is in the arms of JESUS waiting to see them again and seeing her mom and dad. I know she will be missed but she is in a happy place praising our lord and savior.*

“ Michael, Joseph and family, my heart is saddened for you and your family as you go through this difficult time of losing one who is very precious to you. In this time let yourself live through the beautiful words of Jesus who gave assurance that death is not an ending but the beginning of an eternal home where there is peace and joy.
