“ I will always remember your strength. As a child I believed you had to be the strongest woman I knew. Thank you for being a part of my family and thank you for taking such good care of Cindy when she needed someone most. You passed that strength on to her. My thoughts and prayers are with Vance and Brice. You raised a very strong son who has went on to share your compassion with the world. You gave Vance love and loyalty through all your years. And I thank him for giving you the same. I love you Susie. Until we meet again.

“ I know that you are in a much better place with no pain or no sorrow. MOST IMPORTANT NO SICKNESS! I know you are rejoicing with family, friends, and walking in the hands of Jesus. I can only imagine what a beautiful angel you have become. You are walking the streets of gold and experiencing nothing but peace while you watch over Uncle Vance and Brice. I will miss you dearly. I love you. Traci Waldo
