“ *I loved Uncle Fred. He was my hero and head cheerleader as I recovered from a major heart attack in 1999, Every time we would attend some sort of family get together he always asked how I was and encouraged me to keep going. He would say, look at me , I had a big heart attack too but I am still going strong and have been for 20 years. He truly was an inspiration and I loved his quiet, gentle personality. So sorry for the Heacker family loss.*
