“ Sam Wade, and his wonderful wife Ann, were good friends of mine. They talked often of family, and made sure that on holidays and during vacations they included me, Along with their two beautiful children Amber and Travis, I was always included, even though I was just someone they knew who had no family close. They taught me how important it is to keep the things that are most important to you close to your heart. With this goal I contacted and met my father for the first time. I love you all and wish we could be together again!

“ My thoughts and prayers are with all of Sammy's family. He will be truly missed. Sammy and I were best friends growing up. I have so many memories of us eating popcicles on his back steps and taking figs from Granny Clay's fig tree and eating them on the old brick barbaque, hoping Granny Clay wouldn't catch us. I Love You Sammy !!!!!

“ My memories of Sammy are from my childhood when we would gather for holiday gatherings such as Christmas and Easter at our grandparents. He was always quiet, gentle, good-hearted and loved his family. So very much like his father. May God comfort and watch over you during this time of grief. You are in my thoughts and prayers.
