“ Janice, just recently heard you had lost your Dad. I really did not know about your Mom either. They were a great couple. I can remember us stopping at your Dad's gas station and your Mom was always Dr. Killefer's nurse when I was the patient. It is hard when you loose your parents. My heart and prayers are with you and Chuck and your extended family.

“ Garland and Mildred both made an impact on their community during their lifetime. Mildred, a dedicated nurse, and Garland, a mail carrier and bringing such joy to us by being "Uncle Sam". May God now hold them both close and give the family peace at this time.
